HAPPY, HEALTHY AND THRIVING

Wellbeing by Rangeford Villages' mission is to empower residents to nurture their lifestyle choices and to help them thrive by providing an integrated approach to wellbeing throughout the village and beyond. Through four key foundations; Purpose, Health, Community and Environment, the Rangeford Village life is designed to fill our residents' days with purpose, provide facilities and services to keep residents physically and mentally healthy, ensure a sense of belonging in our communities and provide security in a safe and nurturing environment.

As a new village resident, you will be invited to attend a 'Wellbeing Orientation' in the first 3-4 weeks of moving in and this will help ensure that your living experience meets your desires, needs and expectations and that you get the most out of village life.

MICKIE HILL'S FUNDRAISING FOR CHILDREN IN NEED

Bill Rex, 83, who has been living at Mickie Hill for 3 years, organised a charity walk to raise funds for Children in Need. As part of this he led 10 residents on a 2-mile walk across the countryside and they successfully raised £680 in donations from residents and members of staff at Mickie Hill. He says:

"The walk itself was wonderful and we were very lucky to be blessed with fine weather. We walked about 2 miles between Thornton-le-Dale and Ellerburn, which is a beautiful part of Yorkshire. The region around Mickie Hill is wonderful to walk in, with a lot of beautiful places and routes.

Mickie Hill itself is a great place to live in. It's a residential village, so we are free to walk around the grounds and gardens in complete safety. The staff are brilliant as well: they are happy to help us with anything".

HAVING FLOSS HAS MADE SUCH A DIFFERENCE

Jan moved from London to Wadswick Green in March 2020. She adopted Floss, a 16-week old cockerpoo, and is now thoroughly enjoying spending her retirement in Wiltshire with her fourlegged friend. Jan says:

"I'm so grateful that I was allowed to have Floss at Wadswick Green, the staff have been very understanding and supportive. I don't miss London nearly as much as I thought I might - it's completely different here, and I am absolutely delighted."

IT'LL BE GOOD TO HAVE PEOPLE AROUND

David Robinson, 71, is moving to Mickie Hill from Pickering itself. Keen to stay in the area, he is looking forward to enjoying a busier social life as part of a community. He says:

"My wife passed away three years ago now, and I wanted to move somewhere that offered more social opportunities. That's the main thing that drew me to Mickie Hill: it'll be very good to have people around. I'm looking forward to enjoying the amenities at Mickie Hill, such as going to the bar, using the gym, and getting to meet new people. I love that there is a bistro as well – it's great because it means I won't always have to cook!."

ACTION PACKED EVENTS PROGRAMMES

At a Rangeford village you can enjoy life. The village's action-packed event programme has something for everyone. You can be as relaxed or as active as you please, and with a wide choice of social activities you're sure to find lots of likeminded people to share experiences with.

The 'Shack' at Wadswick Green has recently been upgraded and to celebrate served up a delicious Indian takeaway to residents, while over the next

few months it'll be the venue for International Hamburger day in May, Waffles & Milkshakes in June and tastes of France to celebrate Bastille Day in July.

As well as these culinary delights, the next few months promise life drawing classes, bingo, astronomy, a comedy night and a Village Fare in June; our biggest event to date. For copies of the full programme, please speak to sales@wadswickgreen.co.uk.

So glad to be living here

“At this time of gloom and fear
We are so glad to be living here.
The Wadswick Staff work hard each day
To make us safe, keep blues at bay.
Drinks and meals from The Greenhouse still,
things from 'the shop' our shelves to fill.
A walk in the grounds fills your heart with glee,
the daffs are lovely - a joy to see!
A keep-fit session held out on the green -
from where I stood not a man to be seen!
Our grateful thanks to all of you
Keep up the good work - we'll all sail through!”
