JULY 2023

MARKETING SUITE OPENS ITS DOORS

Did you join us for the opening of our Marketing Suite in May?

If not, we are now open Monday to Friday from 10am to 5pm, and our Sales Advisor Jayne Shaw is looking forward to meeting you, and talking to you about our exciting new village.

The suite houses a 3D scale model of the village, virtual tours, computer-generated images, apartment specifications and floor plans – helping to bring to life how this sensational village will look once it is built.

Sarah Burgess – Group Sales and Marketing Director commented: “We are already receiving lots of sales enquiries and would encourage those interested to visit the marketing suite to

find out about the extensive range of properties, amenities and services available at this stunning contemporary community.”

OFF-PLAN RESERVATIONS NOW BEING TAKEN!

With the opening of our marketing suite, we're pleased to also now be taking off-plan reservations. This enables buyers to secure their perfect home in their first-choice location before it's built and available to view by anyone else.

An off-plan purchase can be a good way to save money, provide price certainty, and secure the best position or features you want to give you the perfect retirement home.

The National Association of Property Buyers (NAPB) said that in 2021, 37% of all new properties sold in England and Wales were sold off-plan, and this is set to soar as more people recognise the benefits it provides.

Why not book an appointment today to meet with Jayne to discuss your off-plan purchase options, including our up to 95% Home Exchange* service that is currently available amongst other options to help with your move

Apartment prices start from £490,000**.

We look forward to seeing you soon!

FOUNDER MEMBER VIEWS

Mr & Mrs Steer bought their Rangeford Villages home off-plan and were the first to move into one of the stunning new homes at our Siddington Park village when this first opened last year. Here's what they had to say:

“We are delighted to have made it into our new home and are very much looking forward to all the new adventures and memories we will make here. We are looking forward to getting to know our new neighbours as they move into their lovely apartments over the coming months and the real sense of community that we will get here.

Although we lived in our previous house for 22 years, and had many happy memories there, we are already starting to feel the benefits of living in our lovely new contemporary apartment.”
