COMMUNITY FEES – OFFERING YOU PEACE OF MIND

Our Community Fees at Wadswick Green takes care of the day-to-day and long-term management, staffing and maintenance of the village. It means you can sit back and relax, while we ensure the village looks as attractive in the future as it does today. From looking after the beautiful gardens, pathways and exteriors, to ensuring facilities and communal areas are spotlessly clean and provide the level of service you would expect. This ongoing investment in preserving the high standards at Wadswick Green also means that homes have the potential to increase in value in line with the general housing market.

The Community Fee has two parts: a regular monthly amount and a lump sum payable on purchase or resale. On purchase, you choose whether to pay an Upfront Community Fee on completing the purchase, or between three options for paying a Deferred Community Fee on resale or when the lease is reassigned. The options help you manage your finances by offering different combinations of monthly and deferred fees. It is all outlined below:

Your Fee Choice Options

As well as choosing your new home, you also have the choice of how to pay the Community Fee, providing options to suit your financial situation and personal preference.

OPTION 1 Pay 100% of the Monthly Community Fee and a Deferred Community Fee of 2% of the Indexed Value per year capped at 15%

OPTION 2 Pay 50% of the Monthly Community Fee and a Deferred Community Fee of 4% of the Indexed Value per year capped at 24%

OPTION 3 Pay 25% of the Monthly Community Fee and a Deferred Community Fee of 4% of the Indexed Value per year capped at 30%

OPTION 4 Pay 100% of the Monthly Community Fee and an Upfront Community Fee at legal completion of 12% of the Purchase price

The Monthly Community Fee

The Community Fee options gives you the choice of paying 100%, 50% or 25% of the Monthly Community Fee, alongside the corresponding Deferred Community Fee.

The Monthly Community Fee is fixed according to a formula. It will only change once a year, on 1st July, based upon the increase in the All Items Retail Price Index (RPI) over the 12 month period to April. To ensure the Monthly Community Fee is still appropriate for the services offered, it will be reviewed every 15 years. We will provide one month's notice of any change in the fee, so there will not be any unexpected increases. The fee is payable monthly in advance.

We liaise regularly with owners on the services provided and welcome feedback. We will make alternative arrangements if at any time we are unable to provide a particular service.

The Monthly Community Fee remains payable until a property is resold unless we are retained as the sole selling agent whereby the fee will be suspended 6 months after we are appointed and the property is ready to go onto the market, until the completion of a sale or until the sole agency ceases.

The table below shows Wadswick Green's current estimated Monthly Community Fee for each property type and whether one or two owners live in the property. We will provide you with a similar example for any properties of interest to you.

Three Bedrooms	Double	100%	£1,021	50%	£511	25%	£255	100%	£1,021

The Deferred Community Fee

The second portion of the village's Community Fee is the Deferred Community Fee, payable with options 1, 2 and 3 when you resell the property or assign the lease. There is also option 4, the upfront Community Fee, which is payable at legal completion.

The combined Community Fee ensures the village and its services are maintained to a high standard and remain available for every owner to enjoy without worrying about unexpected costs for ongoing and future major maintenance, such as expensive structural repairs for, say, road and paths resurfacing or re-roofing buildings.

The Deferred Community Fee is calculated based on the purchase price paid, inflating this annually by the Retail Price Index (RPI) up to the date the lease is assigned (the 'Indexed Value') and multiplying this figure by the chosen Deferred Community Fee option's annual percentage increase, up to the capped percentage.

The table below shows an example of the fee payable to Rangeford RAP Ltd based on the number of years of ownership and an assumption of the future annual RPI inflation rates. We will provide you with a similar example for any properties of interest to you.

The Indexed Value used to calculate the Deferred Community Fee will not necessarily match any future actual resale price achieved. Average RPI Jan 2010 to Jan 2024 at 3.3% per annum (source:ONS).

HOUSEHOLD BILLS

Owners are responsible for the cost of electricity, heating, water, telephone, broadband and council tax that relate directly to their property, which will be paid either directly to the external supplier or to the landlord. Each property at Wadswick Green is wired for telephone, broadband and satellite services, and you may set up your own suppliers.

FUNDING OF MAJOR REPAIRS

There is no separate contingency fund for Wadswick Green. Rangeford RAP Ltd will fund any major works needed from the receipts of the Monthly Community Fee and Upfront/Deferred Community Fees. No additional liabilities will fall on owners.

We conduct regular building surveys to assess and plan for future capital spending requirements. No additional liabilities will fall on owners.

The NHBC warranty provides 10 years structural cover for individual properties.

AGE CRITERIA

A purchaser may be under 60 years old but an occupier of a property must be at least 60 years old.

LEASE TERMINATION

Clause 6.1 of the lease enables us to terminate the lease should payments be missed or if you breach a covenant. We cannot terminate leases summarily (a court order is required) and we will always act reasonably before initiating the termination process e.g. first seeking through dialogue to resolve any payment problems or breaches of covenants.

RESALE AGENCY SERVICE

On exit, there is an option for you to use our resale agency services to market your property. The cost of managing this service is included within the Community Fee.

HOW TO PURCHASE YOUR NEW PROPERTY
