CHARGES WHEN LEAVING OR SELLING	
Deferred Community Fee	On resale, buyers pay a lump sum 'Deferred Community Fee'. This is based on the purchase price inflated by RPI annually. The Indexed value at the date of resale is then multiplied by the buyer's chosen multiplier: 2% per year or part year of ownership (15% cap), 4% (24% cap) or 4% (30% cap). These three rate options correspond to different levels of the Monthly Community Fee. Alternatively, buyers may pay an Upfront Community Fee of 12% of the purchase price and then pay the full Monthly Fee for the duration of their ownership. See All You Need to Know for illustrations and further explanation.
Resale Agency Service	There is an option to use Rangeford to market the property when wishing to sell. This service is included within the Community Fee.
Ongoing charges	The Monthly Community Fee remains payable until a property is resold. Where the property is vacant and the vendors retain Rangeford Villages as their sole agent, this fee will be suspended after 6 months until the completion of a sale or until the sole agency ceases.
Redecoration costs	The costs of any necessary internal decoration and repair prior to resale.

INSURANCE ARRANGEMENTS	
Arranged by operator	Buildings insurance, Public Liability insurance, Employers' Liability insurance are included within the Community Fee.
Arranged by owners	Home Contents insurance.
